Mrs. Booska April 9, 2018

**A Peek at the Week**

\*Theme: Exploring the rain forest, introduction and four layers. We welcome volunteers to help students create and then place plants and trees in our hallway rain forest, from 10:30-11:15 days most weeks. On Friday, students will enjoy another Mystery Science lesson, this week on [climates](#)

\*Reading: Students will learn and practice strategies to check that they understand what is being read

\* Writing: Children will fill in a KWL before, during and after learning about the rainforest this week. They will use this information when writing to tell Clara about the rain forest on Friday.

\* Math: Chapter 13 which is addition and subtraction to 40. This week we will focus on addition. First without regrouping and then spend a few days practicing regrouping with strategies when adding three numbers

\* Foundations: Review suffix /es/

\* Spelling homework home today, test on Thursday

**Looking Ahead**

**\*\* Please return all  
remaining Blizzard Bags**

**Help Clean up Tamworth in April**

All month as the snow melts, we are asking students to help clean up the side of roads in town. There are bags available or please use clear bags to help the town workers know if the bags are trash or recyclable items. By registering your clean up with Brett, you will assure that bags are picked up and you're invited to the Valley Pride Celebration on May 6<sup>th</sup>

**Homework Heroes**

These children  
returned their  
homework:

**Emma, Morgan,  
& Peter P.**
