Learning Objectives

Please send your child with warm clothing for recess every day: mittens, hat, & coat

- * Theme: Students will learn the seven principles of Kwanzaa, an African American December holiday. We will locate Africa on a map then read and listen to books about Africa, families celebrating Kwanzaa, and at the end of the week, record answers to questions written on the back of the **Know - Want to learn - Learn** chart.
 - * New RtI groups began meeting, most students stayed with same teacher and group.
 - * Math: We will begin Chapter 7- focusing on place value and numbers up to 20
 - * Foundations: We will begin Unit 6 that introduces the concept of base word and a suffix
 - * Reading: reading for information about Kwanzaa, focusing on fluency, accuracy- reading words correctly, comprehension by asking questions and reading to find the answers.
 - * Writing: To make sentences more interesting, students are using different types of sentences, i.e. asking questions. Snap were written into sentences and quizzed by a friend.
- Spelling words**= words that **CAN** be tapped/sounded out using Foundations strategies
10 plus Bonus words each week homework on Monday test that Thursday
Snap words = words that **MUST** be recognized instantly **CANNOT** be tapped/sounded out... -come home rainbow written on Monday test that week on Friday

Homework Heroes

These children have returned their spelling and math by Friday
Brayden, Destiny, Emma, Morgan, Peter F, Peter P. And Vivianna
