

February 26, 2018

Good Afternoon,

In your child's backpack today are a few important forms that must be returned by Thursday. These are the ski/skate permission slips for "Sno-Day" which is March 8th.

The week before vacation, we had only four students return their spelling homework. This week's list went home today and the homework should be completed and returned by Thursday- the day of the test.

There is also a math fact sheet, most are blue. Math fact tests are on Monday and Tuesday. We practice for 10 minutes in the classroom, so practicing at home would really help your child learn their facts. The one skill all teachers in the upper grades ask, if that students learn their math facts. Please spend time practicing by having your child say the answer out loud- not writing on the paper.

The All school assembly will be Wednesday morning at 9:15. Please use the gym entrance if you are attending. It's a close race, so you'll have to ask your child which group has the most tallies at the end of the day tomorrow.

Thank you for sending the ski/skate forms in before
Thursday,
Heather Booska
