A Peek at this Week

- * Reading: Students will read for information about the moon with partners and to self. They will practice discussing what was learned and finding evidence to back up new thoughts and ideas. In addition, they will be looking for glued sounds, suffixes, blends and digraphs while reading.
- * Writing: Children will write to describe a fantasy trip to the moon, which they will read to Clara the therapy dog on Friday
- * Math- Focus: subtraction strategies and math facts. This week children will group into 10's and 1's and then subtract. They will also use fact families to help automatize subtraction: If you know $9+1=10$, then $10-9=1$. Use multiple ways of thinking to solve equations
- * Foundations: blends (2 letters that make 2 sounds: sn, bl, dr, sk) compared with digraphs (2 letters that make 1 sound: ch, th, sh,)

Looking Ahead

Winter Tree Trip will be scheduled after February vacation- not sure of which day of the week- not Monday.

100th Day celebration will be during the week of Feb. 9th

Please send in your child's 100 items by Monday Feb 5th

more info on back

- * Foundations: blends vs. digraphs, review & assessment
- * Writing: students will write to inform Clara about George Washington
- * Reading: Reading fiction and nonfiction about Washington and review timelines
- * Theme: 100th Day, Presidents
- * Math: Measurement - Length
