A Peek at this Week

Winter Tree Trip- Thursday morning

- ** Theme: Complete our winter activities this week with fresh new snow and observing our adopted tree in winter.
- * Math: Chapter 10- Weight: students began their second workbook comparing weights and using nonstandard units. They used their schema to predict which was heavier or lighter and then tested their theory with a balance scale.
- * Reading Lessons will focus on "Being the Boss of your Reading," while reading informational books. Students will stop at the first sign of trouble- when coming to a tough word, and then try something until the word has been figured out. No more skipping words because this habit takes away comprehension....all words matter.
- * Foundations- second week of stretching out all sounds in words with five or more letters: blast, trust, crept

Looking Ahead

- * Reading: Tools for checking and Solving Hard Words: Does it make Sense? Does it sound Right? Does it Look Right? Students will make a plan and resolve to get help ONLY when needed- being the Boss of their Reading
- * Theme: Maple sugaring
- * Math: Chapter 10- concludes with students finding the weight comparing two things using another object and then ordering things from heaviest to lightest
- * Foundations: Digraph blends with a suffix will be reviewed Students will find these while reading and writing

Homework Heroes

These children returned their blizzard bag on Friday.

**Emma, Greyson,
Morgan, Peter P,
& Viviana**
