## A Peek at the Week

**This is the last week for afterschool programs**  
**All day ski/skate day March 8<sup>th</sup>**

Four Great timelines in the hallway- Thank you

\*Ended the month of February learning more about [Ruby Bridges](#) who became famous when she was in first grade.

\* [Read Across America Day](#) was celebrated on Friday.

We spent last week learning about Dr. Seuss & reading his books. Mrs. Boewe worked with us for keyboarding and coding with [Bee-Bot](#) and Blue-Bot- [pictures here](#).

\*Writing: Last week, using a quick write, students wrote about their vacation to read to Clara the therapy dog.

\* Foundations: This week students will be blending and segmenting words with five sounds: stump, clasp, strap

\* At the beginning of the week, each child will plant flower seeds and then record weekly growth until May. We will spend some time reviewing plant needs to grow.

## March 7<sup>th</sup> @ 7:00pm Annual School District Meeting

Check with the office to see if there will be babysitting and fun activities for your children to enjoy while you attend the Annual School District meeting. Please attend the meeting to vote and support the school.

## Looking Ahead

**\*\* School District Meeting\*\***  
**March 7<sup>th</sup> in the gym**

This Wednesday if possible, please attend our school district meeting at 7:00pm.

\*The second trimester will be ending March 16<sup>th</sup>. Over the next few weeks, assessments will be administered to provide data to fill out report cards.

These assessments are not sent home, but retained at school for comparison to document growth throughout the school year. If you would like to meet after you review your child's report card at the end of the month, send a note of email.
